PROFESSIONAL SUMMARY

Results-driven Full Stack Developer with hands-on experience in building scalable web applications using the MERN stack. Ranked AIR 3 in Social Winter of Code (SWoC26) and recognized as Hacktoberfest 2025 Super Contributor. Proven track record of delivering end-to-end solutions with strong expertise in React.js, Node.js, and RESTful API development. Passionate about open-source contributions and collaborative software development.

TECHNICAL SKILLS

Programming Languages: Java, JavaScript, HTML5, CSS3, SQL

Frontend Technologies: React.js, Bootstrap, Responsive Web Design, Component Architecture

Backend Technologies: Node.js, Express.js, RESTful APIs, Server-side Development

Databases: MongoDB, MySQL

Developer Tools: Git, GitHub, VS Code, Postman, PowerShell, Terminal

Development Methodologies: Agile, Version Control, API Testing, Code Review, Test-Driven Development

Core Competencies: Problem Solving, Team Collaboration, Technical Documentation, Time Management

PROFESSIONAL EXPERIENCE

Full Stack Developer Intern | NTS Nihon Global | Remote

June 2025 – August 2025

- Architected and deployed scalable web applications using MERN stack (MongoDB, Express.js, React.js, Node.js), serving 500+ active users
- Implemented RESTful API endpoints and optimized backend performance, reducing server response time by 30%
- Enhanced React component reusability by 40% through implementation of modular design patterns and custom hooks
- Collaborated with cross-functional team of 5+ developers using Git workflows, conducting code reviews and maintaining 95%+ code quality standards
- Debugged and resolved 25+ critical bugs across frontend and backend, improving application stability
- Utilized Postman for comprehensive API testing, ensuring 100% endpoint reliability before production deployment

OPEN SOURCE CONTRIBUTIONS

Hacktoberfest 2025 Super Contributor | October 2025

- Achieved Super Contributor tier (top 5%) among 100,000+ global participants through high-quality open-source contributions
- Submitted 15+ merged pull requests across multiple repositories, enhancing documentation and fixing critical issues

Social Winter of Code (SWoC26) | AIR Rank 3

- Secured All India Rank 3 among 5,000+ participants in GitHub-organized open-source competition
- Contributed to 8+ open-source projects with focus on feature development and code optimization

PROJECTS

Wanderlust – Full Stack Hotel Listing Platform

Tech Stack: MongoDB, Express.js, React.js, Node.js, Mapbox API, Stripe

Live: wanderlust-n561.onrender.com/listings | GitHub: github.com/SujalTripathi/wanderlust

- Developed end-to-end hotel booking platform similar to Airbnb, enabling users to search, list, and book 100+ accommodations
- Implemented secure user authentication using JWT and bcrypt, protecting 200+ user accounts
- Integrated Mapbox API for interactive location mapping and Stripe payment gateway for seamless transactions

- Designed responsive UI with 95% mobile compatibility, ensuring optimal user experience across all devices
- Built RESTful APIs with Express.js to handle CRUD operations for listings, reviews, and bookings

Personal Developer Portfolio

Tech Stack: HTML5, CSS3, JavaScript, Responsive Design

Live: <https://sujalprotfolio.netlify.app>

- Designed and deployed professional portfolio website showcasing 10+ projects and technical skills
- Implemented fully responsive design with CSS Grid and Flexbox, achieving 100% mobile responsiveness
- Optimized page load time to under 2 seconds through code minification and image optimization

CERTIFICATIONS

Oracle Cloud Infrastructure 2025 AI Foundations Associate

Oracle | 2025

- Completed comprehensive certification in Artificial Intelligence, Generative AI, and Oracle Cloud Data Management

ACHIEVEMENTS & RECOGNITION

- **Smart India Hackathon (SIH):** Top 5 Finalist in Inter-College Competition – Led team through ideation, development, and presentation phases
- **Hacktoberfest 2025:** Super Contributor Badge – Recognized for exceptional open-source contributions
- **Social Winter of Code (SWoC26):** All India Rank 3 – GitHub-organized coding competition

EDUCATION

Bachelor of Engineering in Computer Engineering

C.K. Pithawala College of Engineering & Technology, Surat, Gujarat

Expected Graduation: 2027

CGPA: 7.39/10.0
